Liberate

Disturbed

Bold motherfucker Don't you limit your mind

Liberate your mind You motherfucker, you're so narrow minded So narrow minded So, liberate your mind You motherfucker, will you liberate your mind

Liberate your mind You motherfucker, you're so narrow minded So narrow minded So, liberate your mind You motherfucker, will you liberate your mind this time

Bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind

Now, bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind this time

Waiting for your modern Messiah To take away all the hatred That darkens the light in your eye Still awaiting I

Liberate your mind You motherfucker, you're so narrow minded So narrow minded So, liberate your mind You motherfucker, will you liberate your mind?

Liberate your mind You motherfucker, you're so narrow minded So narrow minded So, liberate your mind You motherfucker, will you liberate your mind this time?

Bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind

Now, bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind this time

Waiting for your modern Messiah To take away all the hatred That darkens the light in your eye Still awaiting I {Out of Zion shall come forth the law And the word of the Lord from Jerusalem Nation shall not raise sword against the nation And they shall not learn war anymore For the mouth of the Lord hath spoken}

Waiting for your modern Messiah To take away all the hatred That darkens the light in your eye

How long will we be waiting for your modern Messiah To take away all the hatred That darkens the light in your eye Still awaiting I, still awaiting I
