

# Mine

## Disturbed

Been watching for a long time, seeing the world join forces to  
the edge of calamity  
How many of the wars have started over mankind's area we call r  
eligion?  
Too many of our children have died in the never ending fight fo  
r territory

Are we born to violence?  
Can we stop in time?  
They say you will want to remain on your side  
You'll be starting a war now if you cross that line  
Turn around or face my reprisal for I have determined that this  
is mine

'Ey! (6x)

Been hurting for a long time feeling my heart torn open from th  
e lack of humanity  
Insanity on both sides reaping the path that guarantees our own  
extinction  
Hate added to the stockpile filling the world with enemies, a c  
onstant battle

In the face of violence, they omit their pride  
They say you will want to remain on your side  
You'll be starting a war now if you cross that line  
Turn around or face my reprisal for I have determined that this  
is mine

Oooooohhhhhh (2x)

You will want to remain on your side  
You'll be starting a war now if you cross that line  
Turn around and face my reprisal for I have determined that thi  
s is mine

We will not be broken this time  
We will force the whole world to testify  
Stand your ground or face our reprisal for we have determined t  
hat this is..
