

# Mistress

## Disturbed

My mistress

I stand on the brink of your mind  
Living inside a nightmare from which I just cannot awaken  
Stand on the edge of your life  
Just give me another moment from which I will never awaken

Stand on the brink of my own demise  
Fallen again for another  
Mistress of burden to idolize  
Hoping that one of them will decide to let me in

To stand on the edge of the knife  
Cutting through the nightmare from which I just cannot awaken  
Stand on the edge of the night  
Living inside a moment from which I will never awaken

Stand on the brink of my own demise  
Fallen again for another  
Mistress of burden to idolize  
Hoping that one of them will decide to let me in

Look at what you've done to me  
You've become my enemy  
Poisoning the world for me  
Take away my everything  
Weakened as I am  
Never awaken

Stand on the brink of my own demise  
Fallen again for another  
Mistress of burden to idolize  
Hoping that one of them will decide to let me in

My mistress, decide to let me in  
My mistress, decide to let me in
