

Mistress

Disturbed

My mistress

I stand on the brink of your mind
Living inside a nightmare from which I just cannot awaken
Stand on the edge of your life
Just give me another moment from which I will never awaken

Stand on the brink of my own demise
Fallen again for another
Mistress of burden to idolize
Hoping that one of them will decide to let me in

To stand on the edge of the knife
Cutting through the nightmare from which I just cannot awaken
Stand on the edge of the night
Living inside a moment from which I will never awaken

Stand on the brink of my own demise
Fallen again for another
Mistress of burden to idolize
Hoping that one of them will decide to let me in

Look at what you've done to me
You've become my enemy
Poisoning the world for me
Take away my everything
Weakened as I am
Never awaken

Stand on the brink of my own demise
Fallen again for another
Mistress of burden to idolize
Hoping that one of them will decide to let me in

My mistress, decide to let me in
My mistress, decide to let me in
