

# The Night

Disturbed

What has come over me  
What madness taken hold of my heart  
To run away, the only answer  
Pulling me away  
To fall upon the night  
The source of my recovery  
Sweet shadow taking hold of the light  
Another day has been devoured  
Calling me away, begging the question  
Why

For saving me from all they've taken  
Letting my armor fall again  
Giving me the strength to face them  
Feeling it taking over now  
On a path to take it all away  
There can be no better way of knowing

In a world beyond controlling  
Are you going to deny the savior  
In front of your eyes  
Stare into the night  
Power beyond containing  
Are you going to remain a slave for  
The rest of your life  
Give into the night

This self discovery  
Redemption taking hold of my mind  
A serenade of haunting voices  
Calling me away  
To feast upon the night  
The source of my Felicity  
Dark maiden taking hold of my hand  
Lead me away from hibernation  
Strong and unafraid  
Never a question why

For saving me from all they've taken  
Letting my armor fall again  
Giving me the strength to face them  
Feeling it taking over now  
I'm about to take it away  
There can be no better way of knowing

In a world beyond controlling  
Are you going to deny the savior  
In front of your eyes  
Stare into the night  
Power beyond containing  
Are you going to remain a slave for  
The rest of your life  
Give into the night

Give in to the night

In a world beyond controlling

Are you going to deny the savior  
In front of your eyes  
Stare into the night  
Power beyond containing  
Are you going to remain a slave for  
The rest of your life  
Give into the night
