

## My Turn

## Diva Destruction

I knew the day would come, but  
It's way too late, too bitter to enjoy  
Can you take the pain you gave?  
You should have thought of that  
As you sealed your fate  
You won the battles then, but I'll  
Win the war in the end you'll see  
This Phoenix will rise again, it will  
Fly again, far away, from these flames

Now it's my turn, now it's my turn  
to say goodbye, to hear you cry  
And to watch you die

You beg for mercy now  
But did you ever show any for me?  
You killed me more than once  
And enjoyed my tears  
As you danced on my grave  
You'll know just how it felt, to be  
There like me, to be left and forgotten  
You'll see just how I lived, to be  
Tortured blind, and then thrown away...
