

All You Need

Divine

I can be all that you need
If you're willing to let me
Let me show you just how sweet it can be
You and me
We can be if your mind and heart's ready
Baby just let me be all you need
I'm made of things that's nice
Like chocolate sugar spice
The kind of quality that's rarely seen
Oh babe to put you in the zone
I'm the kind that you take home
To meet your family
Fulfill your every want and need
Slowly, gently, softly
Baby close your eyes, and open your mind
To what's in store for you
I'll take you on a magic carpet ride into my world
So you can see that I'm the one you need, oh
Repeat
I can't explain the way
You make me feel inside
I know you feel it, too
And when I'm all alone
You call me on the telephone
Boy I'm just hooked on you
Slowly, gently, softly
Baby just close your eyes, open your mind
To what's in store for you
I'll take you on a magic carpet ride into my world
So you can see that I'm the one you need
Repeat
I'll show you love
Like none you've ever experienced
It's now or never 'cause you'll never find
Another love like mine
Yeah, ah, my girl Nik in the house
My girl Kia, and it's Tonia
And we Divine, for your mind
One time baby
Ah ah, Ya don't stop, let the beat drop
Yo, check it
I'm just trying to say right here
I'll be all you need, word
Repeat until fade
