

# I'm So Beautiful

Divine

Out  
out tonight  
feel like going out in the night

I'm gonna walk the street  
walk the street

I wanna feel the heat  
feel the heat.  
There ain't nobody better than me  
can't you see? Look at me!  
Wild  
feeling wild and I'm burning up deep inside

I wanna let it go  
let it go

I'm gonna steal the show  
steal the show.  
There ain't nobody better than me  
can't you see? Look at me!

I'm so beautiful  
you've gotta believe it  
I am beautiful.  
I'm so beautiful  
can't you see? Look at me!  
I said: I'm so beautiful

Well  
everybody's welcome to this point of view.  
We're all beautiful  
can't you see?

High  
feeling high

I'm really gonna shake it through the night

I'm gonna nail the beat to the floor

I'm gonna make you scream

Scream for more.  
There ain't nobody better than me

Can't you see? Look at me!

I'm so beautiful  
. . .

There ain't nobody better than me

Can't you see? Look at me!  
I'm so beautiful  
. . .  
Look at me! Can't you see?

Look at me! Can't you see?  
I'm so beautiful  
. . .
