

One More Try

Divine

Had enough danger
And people on the streets
I'm looking out for angels (Angels)
Just trying to find some peace
Now I think it's time
That you let me know
So if you love me
Say you love me
But if you don't
Just let me go 'cause

Teacher
There are things that I don't want to learn
And the last one I had made me cry
So I don't want to learn to hold you touch you
Think that you're mine because it ain't
No world for an uptown girl
Whose teacher has told her goodbye
Goodbye, oh goodbye
When you were just a stranger
And I was at your feet
I didn't feel danger
Now I feel the heat
What look in your eyes
It's telling me no
So you think that you love me
Know that you need me
I wrote the song, I know it's wrong
Just let me go
So I don't want to learn to hold you, touch you
Think that you're mine
No world for an uptown girl
Who just isn't willing to try
I'm so cold inside
Oh maybe just one more try
One more try to ease my mind I feel so cold inside
One more try to ease my mind I feel so cold inside
