

# Free Like An Eagle

Divinefire

Free like an eagle  
My eyes are red and open wide  
Those scars everywhere I see  
I'm thinking about the other side  
I'm scared but I know I'm gonna be  
I'm the lock and key, so many wasted years

Free like an eagle, flying high above the clouds  
Free and nothing's gonna tear me apart  
Free like an eagle, flying high above the clouds  
Free 'cause the winds of fame forever left my heart  
Free like an eagle

I'm cold and my hands are shaking  
Sweat doomed end up really fast  
I'm crying and my heart is acheing  
So death came to me at last  
Kiss my kids goodbye, from then we love and care  
And don't cry any tear for me, you know I'm gonna be...

Free like an eagle flying high above the clouds  
Free and nothing's gonna tear me apart  
Free like an eagle flying high above the clouds  
Free 'cause the winds of fame forever left my heart  
Free like an eagle

I'm flying high, I wonder why this is happening to me  
I'm free again, I'm out again  
I'm out of control

Free like an eagle flying high above the clouds  
Free and nothing's gonna tear me apart  
Free like an eagle flying high above the clouds  
Free 'cause the winds of fame forever left my heart  
Free like an eagle
