

# Unity

Divinefire

I have decided to follow you  
I have dived to go  
No matter the consequences

You are the rock

That never fails  
We built our lives on you

Unity as strong community  
Unity in the body of Christ  
Unity as strong community  
Unity in the body of Christ

Unity in the body of Christ

The calling is growing strong in me  
This is my choice for eternity  
I'm totally dependent on you

In thee O Lord I take refuge  
Let me not be put to shame forever  
In Thy righteousness deliver me  
For thou art my rock and my fortress  
Draw me out of the net which they have hid from  
For thou art and my stronghold  
Into Thy Hand I commit my spirit  
Thou hast redeemed me Lord, God or Truth
