

# Human On The Inside

Divinyls

I play a good game But not good as you  
I may be a little cold But you can be so cruel  
I'm not made of brick I'm not made of stone  
But I had you fooled enough to take me on

If love was a war It's you that has won  
While I was confessing it You held your tongue  
Now the damage is done

there's blood in these veins And I cry when in pain  
I'm only human on the inside And though looks may decieve  
Make it hard to believe I'm only human on the inside  
On the inside

I thought you'd come through I thought you'd come clean  
you were the best thing I should never have seen  
Cause you go to extremes You push me too far  
Then you keep going 'till you break my heart  
Yeah you break my heart

See I bleed and i bruise Oh, but what's it to you  
I'm only human on the inside  
And though looks may deceive Make it hard to believe  
I'm only human on the inside  
Well I crash and I burn Maybe some day you'll learn  
I'm only human on the inside  
I stumble, I fall baby under it all  
I'm only human on the inside  
On the inside

And the damage is done

there's blood in these veins And I cry when in pain  
I'm only human on the inside  
And though looks may decieve Make it hard to believe  
I'm only human on the inside  
Well I crash and I burn Maybe some day you'll learn  
I'm only human on the inside  
I stumble, I fall, baby I do it all  
I'm only human on the inside  
On the inside On the inside
