

Human On The Inside

Divinyls

I play a good game But not good as you
I may be a little cold But you can be so cruel
I'm not made of brick I'm not made of stone
But I had you fooled enough to take me on

If love was a war It's you that has won
While I was confessing it You held your tongue
Now the damage is done

there's blood in these veins And I cry when in pain
I'm only human on the inside And though looks may decieve
Make it hard to believe I'm only human on the inside
On the inside

I thought you'd come through I thought you'd come clean
you were the best thing I should never have seen
Cause you go to extremes You push me too far
Then you keep going 'till you break my heart
Yeah you break my heart

See I bleed and i bruise Oh, but what's it to you
I'm only human on the inside
And though looks may deceive Make it hard to believe
I'm only human on the inside
Well I crash and I burn Maybe some day you'll learn
I'm only human on the inside
I stumble, I fall baby under it all
I'm only human on the inside
On the inside

And the damage is done

there's blood in these veins And I cry when in pain
I'm only human on the inside
And though looks may decieve Make it hard to believe
I'm only human on the inside
Well I crash and I burn Maybe some day you'll learn
I'm only human on the inside
I stumble, I fall, baby I do it all
I'm only human on the inside
On the inside On the inside
