Only You

Only only you can make me feel so insecurely We're all going wrong it's a sign for you surely

You say I bring you down Now I'll turn the tables round I say you bring me down Only you can feel so badly so badly

Paranoia soul destroyer Conspiracy you're out to get me You are wearing a disguise So the problems still arise You are wearing a disguise Only you can feel so sadly so sadly

Only you only you only you only you

Lady killer later night thriller Frankenstein I'm on the line Child bride knew no stress Wide eyes and legless Look at me I'm a mess Over you so madly so madly
