

I knew when I met you, I would not forget you
I knew I'd never let you know, oh,
I knew that it was you who
Did it with your voodoo
I'm never gonna let you go, oh, oh, oh, no,
Never let you go, oh, oh,
Never let you go
Never let you go
Never let you go, have to let you know
I can't forget you

I knew when I met you, I would not forget you
I knew I'd have to let you know, oh,
I knew that it was you who
Did it with your voodoo
I'm never gonna let you go, whoa, whoa, no, no,
Never let you go, go, go,
Never let you go, oh, oh, oh,

Abcdef, ghijkl, mnopqr, s, t, you, you, you,
Never let you go
Never let you go
Never let you go
have to let you know
I can't forget you

I knew when I met you, I would not forget you
I knew I'd have to let you know, oh,
I knew that it was you who
Did it with your voodoo
I'm never gonna let you go, oh, oh, oh, oh,
Never let you go, oh, oh,
Never let you go, oh, oh,
Never let you go, oh, oh,
Never let you
