

# Talk Like The Rain

Divinyls

Tell me, you been lost and you found  
How you've been tossed around  
You can tell me

Tell me, mountains grow out of the sky  
I'm the vision in your eye  
You can tell me

You don't have to run  
You don't have to hide  
You don't have to keep everything  
Everything inside

Talk, talk, talk  
Talk to me like the rain  
You can talk, talk, talk  
Talk to me like the rain

Tell me, what you're thinking in the silence  
It's been too long a time since  
You've talked to me

Tell me, your ways that are dark  
Your tricks that are vain  
Again and again and again, and again, and again  
And again

Talk, talk, talk  
Talk to me like the rain  
You can talk, talk, talk  
Talk to me like the rain

I got love, love enough to see the whole day though  
I got sense, sense enough  
To know when something's through

I've got time, time enough  
To work things out  
And I want you

Yeah, yeah, yeah, yeah

I've got arms, I've got legs  
I've got hands to hold you  
I don't have to run, I don't have to hide  
And I don't have to keep everything, everything inside

Talk, talk, talk  
Talk to me like the rain  
Talk, talk, talk  
Talk to me like the rain

Talk, talk, talk  
Talk to me like the rain  
Talk to me like the rain
