

Breath Breath

Division of Laura Lee

Nothing here to fear
Nothing here to be scared of
I promise i'm your shelter
When it's back
Breathe breathe breathe
I'll help you through
It wont be long
Do you hear me
It'll be over soon
I'm your shelter
I'm your shelter
You can trust in me
Put your trust in me
I said breathe breathe breathe
I'll help you through
It wont be long
Do you hear me
It'll be over soon
I'm your shelter
I'm your shelter
Nothing here to fear
Nothing here to be scared of
I promise i'm your shelter
When it's back
Breathe breathe breathe
I'll help you through
It wont be long
Do you hear me
It'll be over soon
I'm your shelter
I'm your shelter
You can trust in me
Put your trust in me
I said breathe breathe breathe
I'll help you through
It wont be long
Do you hear me
It'll be over soon
I'm your shelter
I'm your shelter
Nothing's here now
Feel no fear now
I am your shelter
