Hole in My Head

Dixie Chicks

Hole in my head hole in my head I need a boy like you like a hole in my head I need a boy like you like a hole in my head Let's just say we will and then don't instead

Wild goose chase
Wild goose chase
You're gonna take me boy on a wild goose chase
You're gonna take me boy on a wild goose chase
You better find somebody to take my place

You took my imagination and stomped it inthe ground Now I can only think about you chasin' the tracks that you left around

Hole in my head hole in my head Oh I need a boy like you like a hole in my head I need a boy like you like a hole in my head You make me feel so bad that I wish I was dead

Let the games begin Yeah here I go again I'm never gonna win

It must have knocked me crazy it must have hit me hard People must think I'm lazy Like my shuffle's short of playing a card

Wild goose chase
Wild goose chase
Oh I need a boy like you
like a wild goose chase
I need a boy like you
like a wild goose chase
You better find somebody to take my place

Let the games begin Yeah here I go again

I need a boy like you (I need a boy like you) I need a boy like you (I need a boy like you)

I need a boy like you Like a hole in my head Hole in my head Hole in my head

Hole in my head Hole in my head

Like a hole in my head

I need a boy like you (I need a boy like you)

I need a boy like you (I need a boy like you)
