1. Sunday morning, I heard the preacher say
   Thou shall not kill
   I don't wanna hear nothing else about killing
   And that it's God's will
   'Cause our children are watching us
   They put their trust in us
   They're gonna be like us
   So let's learn from our history
   And do it differently
R: I hope
   For more love, more joy and laughter
   We'll have more than we'll ever need
   I hope
   We'll have more happy ever afters
   I hope
   We can all live more fearlessly
   And we can lose all the pain and misery
   I hope
   I hope
2. Oh Rosie, her man he gets too rough
   That's all she can say,
   Is he's a good man
   He don't mean no harm
   He was just brought up that way
   But our children are watching us
   They put their trust in us
   They're gonna be like us
   It's okay for us to disagree
   We can work it out lovingly
R:
   There must be a way to change what's going on
   No I don't have all the answers
R: +
   I hope
   I hope
   I hope
