

Past the Point of Rescue

Dixie Chicks

Last night I dreamed you were back again
Larger than life again, holding me tight again
Placing those same kisses on my brow
Couldn't get enough of kissin'
Sweeter than ever now,
Lord, I remember how
No you don't, but I do
Do you know how much I'm missin'?
Even the words that I write, refuse to fly
All that I can hear is your song haunting me
Distractions I've been using
Can't get the melody out of my head you see
Days like a slow train trickle by
Do you know how much you're losing? I do
And I wonder if I'm past the point of rescue
No you don't, but I do I never meant to push or shove you
Is no word from you at all the best that you can do?
Do you know how much I love you?
No you don't, but I do
