

# Stand By Your Man

Dixie Chicks

Sometimes it's hard to be a woman  
Giving all your love to just one man  
You'll have bad times and he'll have good times  
Doing things that you don't understand

But if you love him please forgive him  
Even though he's hard to understand  
And if you love him, whoa be proud of him  
'Cause after all he's just a man

Stand by your man  
Give him two arms to cling to  
And something warm to come to  
When the nights are cold and lonely

Stand by your man  
And show the world you love him  
Keep giving all the love you can  
Stand by your man

And if you love him, whoa be proud of him  
'Cause after all he's just a man

Stand by your man  
Give him two arms to cling to  
And something warm to come to  
When the nights are cold and lonely

Stand by your man  
And show the world you love him  
Keep giving all the love you can  
Stand by your man
