The Long Way Around

Dixie Chicks

My friends from high school Married their high school boyfriends Moved into houses in the same ZIP codes Where their parents live

But I, I could never follow No I, I could never follow

I hit the highway in a pink RV with stars on the ceiling Lived like a gypsy Six strong hands on the steering wheel

I've been a long time gone now
Maybe someday, someday I'm gonna settle down
But I've always found my way somehow

By taking the long way
Taking the long way around
Taking the long way
Taking the long way around

I met the queen of whatever Drank with the Irish and smoked with the hippies Moved with the shakers Wouldn't kiss all the asses that they told me to

No I, I could never follow No I, I could never follow

It's been two long years now
Since the top of the world came crashing down
And I'm getting' it back on the road now

But I'm taking the long way Taking the long way around I'm taking the long way Taking the long way around The long The long way around

Well, I fought with a stranger and I met myself I opened my mouth and I heard myself It can get pretty lonely when you show yourself Guess I could have made it easier on myself

But I, I could never follow No I, I could never follow

Well, I never seem to do it like anybody else Maybe someday, someday I'm gonna settle down If you ever want to find me I can still be found

Taking the long way
Taking the long way around
Taking the long way
Taking the long way around
