

# Top Of The World

Dixie Chicks

I wished I was smarter  
I wished I was stronger  
I wished I loved Jesus  
The way my wife does  
I wish it had been easier  
Instead of any longer  
I wished I could have stood where you would have been proud  
But that won't happen now  
That won't happen now

There's a whole lot of singing that's never gonna be heard  
Disappearing everyday without so much as a word somehow  
Think I broke the wings off that little song bird  
She's never gonna fly to the top of the world right now  
Top of the world

I don't have to answer any of these questions  
Don't have no God to teach me no lessons  
I come home in the eveing  
Sit in my chair  
One night they called me for supper  
But I never got up  
I stayed right there in my chair

There's a whole lot of singing that's never gonna be heard  
Disappearing everyday without so much as a word somehow  
Think I broke the wings off that little song bird  
She's never gonna fly to the top of the world right now  
Top of the world

I wished I'd a known you  
Wished I'd a shown you  
All of the things I was on the inside  
I'd pretend to be sleeping  
When you come in in the morning  
To whisper good-bye  
Go to work in the rain  
I don't know why  
Don't know why

'Cause everone's singing  
We just wanna be heard  
Disappearing everyday without so much as a word somehow  
Wanna grab a hold of that little song bird  
Take her for a ride to the top of the world right now

To the top of the world  
To the top of the world  
To the top of the world  
To the top of the world  
To the top of the world  
To the top of the world  
To the top of the world  
To the top of the world
