

# Without You

Dixie Chicks

I've sure enjoyed the rain  
but I'm looking forward to the sun  
You have to feel the pain  
when you lose the love you gave someone  
I thought by now the time  
would take away these lonely tears  
I hope you're doing fine all alone,  
but where do I go from here 'cause

Without you I'm not okay  
And without you  
I've lost my way  
My heart's stuck  
in second place ooh  
Without you

Well I never thought I'd be  
lying here without you by my side  
It seems unreal to me that  
the life you promised was a lie  
You made it look so easy  
making love into memories  
I guess you got what you wanted  
but what about me 'cause

Without you I'm not okay  
And without you  
I've lost my way  
My heart's stuck  
in second place ooh  
Without you

Somebody tell my head to try to tell my heart  
That I'm better off without you  
'Cause baby I can't live

Without you I'm not okay  
And without you  
I've lost my way  
My heart's stuck  
in second place ooh  
Without you...Without you
