

## Flex

Dizzee Rascal

I wanna see you dip dip dip  
And let me see you rock rock rock  
I wanna ?  
And never ever stop stop stop

I wanna see you dip dip dip  
And let me see you rock rock rock  
I wanna ?  
And never ever stop stop stop

I love it when you flex like that  
Slow, fast, up, down, bring it back  
I love it when you move like that  
Slow, fast, up, down, bring it back  
I love it when you wind like that  
Slow, fast, up, down, bring it back

I love it when I see a pretty girl grinding  
I can never watch a butters girl grindin'  
Control the body with great timing.  
?

Drop it like its hot you got my tings rising  
So frequent, theres no disguising  
Whatdo expect, that aint surprising  
These girls get the blood pressure raising  
The wiggling the jigglng
