

# Freaky Freaky

Dizzee Rascal

Theres some girl's in this house,  
When you see em point em out. (4x)

Gotta lil thing foreplay lil grinnin',  
Pretty lil brown fings,  
All above ma timin'.  
London city gotm handin,  
Catch em branin',  
Get da pussy doh im panin'.  
So i get these star techniques outstandin',  
Did it in a council flat on da landin'.  
Im not rappin' neva puffin' n pantin',  
On a onenite stand fing.  
Just like Shauna,  
She dint evn gimme no drama,  
After the show she on ma banana.  
After ma seeds like a farmer,  
Let er maul out in a mouth like a trauma.  
Cunt care less about karma or karman,  
Got er titties out in da bottom off ma garden.  
Im a badboy i dont beg no pardon,  
Pick em up n den i disgard em.

I get freaky freaky freaky,  
And I get nasty nasty nasty.  
Do anyfin dat you want me to,  
Just ask me ask me ask me (2x)

I had this pretty lil girl in swedon,  
Yeah she was kinda short but she was easin.  
I like dat kinda girl ya dint even hav to ask er name,  
Cud ya believe it.  
She was suckin ma dick ya shudav seen it,  
Got up n tried to kiss me inbetween it - Lowe it.  
Cud you imagine ma disappointment,  
Sprayed er in er mouth den watched er kiss er boyfriend.  
Yo, ask Angie coz she familiar,  
Got out ma dick at da bak of da cinema.  
Jamie fort she wer da kingdom 1,  
She delt wiv ma dick till da kingdom cum.  
I'm a movie star im quite unique on da cameraa,  
One quite like Green Streer but i hammerd her.  
I'm a player an a managar,  
Half hole lot of game an a hole lot of staminaa, (Ha)

I get freaky freaky freaky,  
And I get nasty nasty nasty.  
Do anyfin dat you want me to,  
Just ask me ask me ask me
