

# Live O

Dizzee Rascal

At the tone please record your message  
At the tone please record your message  
At the tone please record your message  
At the tone please record your message

I don't wanna screw  
but nothin aint new  
I'll educate your whole crew when i come through  
And you know its true  
So what you gonna do?  
You aint got the foggiest aint got a clue  
Got a little fame Yea i got game  
Get my way with your dame just on my name  
All i gotta say, get out the way  
Dizzee Rascal's hot like summer bay  
And i hit MC's like croquet  
If a boy pet then a boy must pay  
You can start answer on a lay lay  
Please feel free you can bring it any day  
Anyway get wet like perry-ay  
Better hope theres a ambulance on the way  
OK if you wanna fight just say  
We uppercut MC's like sugar Ray

Hot like Cairo, hot like Mars  
But i want houses and i want cars  
So i spit verses and i spit bars  
I dont care what they say man i aint play  
Hot like lava hot like hell  
Move to your sister move to your girl  
Charmane Cheriline or Chantelle  
You better hide your wife, protect her well

Killer insticnt, insticntive killer  
Run dear life cant get no bigger  
Young guns flapping their guns with no fear  
Females, money and guns its all here

Top shotters big cats street gats  
Bent coppers aim for your knee caps  
Some pay a visit to jail without bail  
Some stay on top of the game without fail

Its live O (live O)  
Its live O (live O)  
Its live O (ah)  
Look  
Skank out (skank out)  
Skank out (skank out)  
Skank out (skank out)  
And jump about

See-Saw margerie door  
Guess who sneaked in through the back door?  
Born with a hacksaw through a trap door  
Dizzee got a cheek and not much more  
Whats that voilence whats that war?

Put him in a head lock see if hes raw  
I cause arms thats on the dance floor  
Set trend set standard set score  
Spin that bottle, nah dash that bottle  
Talk tough but you aint got no bottle  
Get strangled get hold get throttled  
Dizzee come old skool like ??  
Blue bottle flying about with six holes  
Ice dry hockey stick brake collar bones  
We check girls with broken holes  
Big battys big breasts light skin toes

Its live O (live O)  
Its live O (live O)  
Its live O (ah)  
Look  
Skank out (skank out)  
Skank out (skank out)  
Skank out (skank out)  
And jump about

Didnt wanna listen didnt wanna care  
Left that boy in a gutter somewhere  
Wanna talk Livo O wanna talk rare  
I make you wish you were born else where  
I gota wash that girl out my hair  
Shes old news everyones been there  
No were not equal no were not fair  
That girls innocent she gets air  
That MC's a boubt  
Tell him i said it and i said it real loud  
Going on rowdy going on row  
That boy tried me that boy failed  
Sorry pardon what?  
Could of got brought up could of got shot  
Gun man get gun down on the spot  
Whos hot whos a bad boy whos not?

Its live O (live O)  
Its live O (live O)  
Its live O (ah)  
Look  
Skank out (skank out)  
Skank out (skank out)  
Skank out (skank out)  
And jump about

Dizzee Rascal you get me?
