Blud, when you hear the sirens coming
I can hear the sirens coming
Better run when you hear the sirens coming
I can hear the sirens coming

1 to da 2 to da 3 to da 4 Line my street, knocking at my door 12 black boots on my bedroom floor What they want with rascal I'm not sure Took me to the station 8:30 For a fight that I had recently Say they got me on CCTV And the black boys told on me Can't understand why these boys keep snitching Can't understand why these boys keep bitching Now I'm hot tempered feel like switching Can't stand still trigger finger itching Gotta stay calm, gotta keep my cool If I go down I'll be a dam fool Gotta rise up, gotta stand up tall Can't let em see the end of Dizzee Rascal

Yo, let's take it back to that old school story telling shit $\mbox{\footnote{school}{\footnote{schoo$

One day I was with my bredwin 'A dot' roaming the streets
On the main road hungry looking for something to eat
Not no burger and no chips that's easily digested
That shit that if your caught, u'll be easing arrested
We was on the robin street I forgot to mention Kate
There was this Breda rolling with us he was scared it was blait,
And he was high

But, back to the story 'A dot' spotted the man
Straight ahead of us in the distance with his wifey holding hands
So we followed him through this little alleyway into the flats
and we thought the time was perfect so we crept up and we attacked
I took the first swing unexpected causing panic
We was ruthless causing agony in public it was tragic
Me and 'A dot' lost the plot, acting like we were from hell
Beat this Breda to the floor beat his wifey up as well
Clayton stood back shaking, wishing that he never came
When from out of nowhere there was Alisha screaming my name
She went my school
She saw it all

To make it worse I'm hearing sirens, I ain't even trying handle

I can hear the sirens coming (2x)

I break the law; I will never change (3x) Step into my soul get your whole face rearranged

See me on the tele but I ain't no actor
Running through the streets brave face it's a jack one
Real day light no shame like a lunatic
Rain, hell, sleet or snow I ain't new to it
Show me what you got betta give it up quickly
Lay them on their back if they try and fight swiftly

Better mind out when they come through the manner man Keep em on their toes like hammer man It's no joke man woman and child I'm seeking See no skets no age im creeping Anything through the door cold on the wheelers Duck from the feds and I roll with the Dealers Smile with your heart and stand on a sentance, My last day wasn't like Eastenders Step into my soul get your whole face rearranged I break the law I will never change
