

Way I Am

Dizzee Rascal

It's just the way I am
It's just the way I am
Just the way I am
Just the way I am (oh nah nah)

Uh
Badder than bad
Shuffle and jab
I don't do no dab
But the hublot's mad
I never knew no dad
But I'm still glad for the things that I had
And I'm not a passing fan
They're still cat in my swag
I let the cat out the bag
I don't even look at the tab
Nah, I just reach and grab
There's no need for the gab
I'm a decent lad
So I bought Keisha a cab
She said "She's on the rag."
I can't be more sad
She gotta be more fab
Should have had her rent a back seat in the Jag
But I fell asleep in the pad
That's an eediot swag
There won't be no stag
Could have been in the lab, it's a drag
But I ain't keeping tabs

It's just the way I am (oh nah nah)
It's just the way I am (oh nah nah)
Just the way I am (oh nah nah)
Just the way I am (oh nah nah)
It's the way I park, and the way I talk
And the way I think, and the way I dream
It's the way I am
It's just the way I am (oh nah nah)

Yeah
Commoners muck
I'm stuck with the commoners touch
Can't touch, I'm a horrible such and such
It don't bother me much
Make moves, don't bother with luck
Make sure my collar is up
Holla and buck
Dominate, don't wait then follow it up
Look at, I'm borrowing cups
Spit game, they swallow it up
Insane in the brain, I'm probably nuts
Tough love, not given no fucks
And the misery guts
I must get rid of these pups
Big dog, I'm planning on living deluxe
Just give me the tux
Tut, tut, tut

Be nice and don't interrupt
I'm out here running the muck
Eyes wide open sunning my Keep it shut, all auto don't need no clutch
When they ask "Why am I so abrupt?"

It's just the way I am (oh nah nah)
It's just the way I am (oh nah nah)
Just the way I am (oh nah nah)
Just the way I am (oh nah nah)
It's the way I park, and the way I talk
And the way I think, and the way I dream
It's the way I am
It's just the way I am (oh nah nah)

It's just the way I am
It's just the way I am
It's just the way I am
It's just the way I am
It's the way I park, and the way I talk
And the way I think, and the way I dream
It's the way I am
It's the way I am (oh nah nah)
