Dizzy Mizz Lizzy

Love
Hidden in my mind
Let it out and shine
I'm calling out your name
And running in the rain

I love to turn you on
The dream is always strong
And love
Floating in the air
And I can see you there

All hope was lost
On a night in December
Only a mad man to blame
So many tears
On that night in December
But on cold foreign fields
There's a flame
So we always remember your name

I haven't read the news
Saddened and confused
And dream
In my life I swear
I saw you standing there

All hope was lost
On a night in December
Only a mad man to blame
So many tears
On that night in December
But on cold foreign fields
There's a flame
So we always remember your name
