

## Love Me A Little

Dizzy Mizz Lizzy

Love me a little  
And I won't mind I said a go now  
Shoot me a lippy  
And I won't mind I said a go now  
Nice little beaver  
And I won't mind I said a go now  
Love me a little  
And I won't mind I said a go now

Love me a little  
And I won't mind I said a go now  
Be-bop-a-lula  
And I won't mind I said a go now  
Nice little squeezer  
And I won't mind I said a go now  
Love me a little  
And I won't mind I said a go now

Down in a hole  
Down in a hole  
You watch your neighbour  
Down in a hole  
Down in a hole  
You watch your neighbour  
She don't mind dipping everybody  
In the soy

Love me a little  
And I won't mind I said a go now  
Roll me a reefer  
And I won't mind I said a go now  
Cute little teaser  
And I won't mind I said a go now  
Love me a little  
And I won't mind I said a go now

Down in a hole  
Down in a hole  
You watch your neighbour  
Down in a hole  
Down in a hole  
You watch your neighbour  
She don't mind dipping everybody  
In the soy
