

## Riff Sang

Dizzy Mizz Lizzy

Take my eyeball  
Whisper I fall  
Take the water where I went  
Sister daring  
Mother caring  
Taking things to the end

Weel she goes  
I wanna break in another B-bowl

Take my wings  
And fly away  
I try to move or the core  
Things I cant find  
Things I won't find  
Try to break through to the war

And she goes  
I wanna break in another B-bowl
