

Riff Sang

Dizzy Mizz Lizzy

Take my eyeball
Whisper I fall
Take the water where I went
Sister daring
Mother caring
Taking things to the end

Weel she goes
I wanna break in another B-bowl

Take my wings
And fly away
I try to move or the core
Things I cant find
Things I won't find
Try to break through to the war

And she goes
I wanna break in another B-bowl
