

Take It Or Leave It

Dizzy Mizz Lizzy

In your garden I try to fall asleep
In your garden I try to fall asleep
Try fall asleep

Sister Mary walking on the wall
Sister Mary heading for a fall
Sister Mary waiting for a call
Sister Mary right before a fall

So many moments
All I really needed was the one
So many moments
I've been mistreated playings done
Pretty soon I'm gonna run

Take it or leave it
'Cause I don't care
You better believe it I'm down there
Take it or leave it
'Cause I don't care
I come out of the blue
Take it or leave
'Cause I don't care
You better believe it I'm down there
Take it or leave it
'Cause I don't care
I come out of the blue
Bringing dark days for you

Sister Mary walking on the grass
Sister Mary breathing on the glass
Sister Mary looking at the past
Sister Mary you got peace at last

So many moments
All I really needed was the one
So many moments
I've been mistreated playings done
Pretty soon I'm gonna run

Take it or leave it
'Cause I don't care
You better believe it I'm down there
Take it or leave it
'Cause I don't care
I come out of the blue
Take it or leave
'Cause I don't care
You better believe it I'm down there
Take it or leave it
'Cause I don't care
I come out of the blue
Bringing dark days for you

In your garden I try to stay awake
In your garden I try to stay awake
Try to stay awake

Take it or leave it
Take it or leave it
I come out of the blue
Take it or leave it
'Cause I don't care
You better believe it I'm down there
Take it or leave it
'Cause I don't care
I come out of the blue
Bringing dark days for you
