

## Wishing Well

Dizzy Mizz Lizzy

She said it's beautiful  
on the inside out  
she said it's beautiful  
with a silent shout

Take her by the hand  
and you'll understand  
I wish you well  
she said it's beautiful  
with a wishing well

She said it's beautiful  
in an angel's room  
she said that contradiction  
will bring you doom

Take her by the hand  
and you'll understand  
I wish you well  
she said it's beautiful  
with a wishing well
