

# Frustrated

Dizzy Wright

[Verse 1:]

Uh  
Somtimes I ask myself, is it really worth all that it  
comes with  
My main bitch overlooked my needs cause she thought my  
fans came withwome kinda comfort  
We argue a lot, but now I feel I'm wastin my time can  
see my flaws but can't see that I'm tryin  
I don't ask for shit but you ain't feelin me future  
hoes limitless possibilities  
So if you stop believin there's not a reason so you no  
recievin cause there's not a goal that I'm not achievin  
I just need time  
A lil Kush  
With a lil Push  
I know I ain't right but I need mine they can grow rich  
Fix yo face the struggle is poetic they gimme birth to  
go out and be great and any ways  
More than music more like life cahnging surrounded by  
the angels and the satans  
And it got me feeling

[Hook:]

Frustrated just a lil bit  
Getting frustrated by the lil shit  
I walk around like everythings ok  
But I don't konw how much more I can take  
Lord I'm about to explode  
I been dealing with my highs n the lows  
I try to stay high but I'm surrounded with lows  
Where do I go when I can't do my best  
I'm frustrated on the road to success  
I need answers

[Verse 2:]

I wanna see the dollas circulate  
Bout to elevate  
Havin visions of the victory  
I'm 21 with the voice of the dead  
You ma'fuckers bout to witness history  
So then I wake up with my mind on a mission  
My grind now it's time for me to be more realistic  
It never stops she trippin I ain't trippin  
Soon as I got my vision I was connecting the dots  
Big will probably trippin right now cause his lesson  
was got  
Thsi is the truth behind the message from pac  
They ain't feelin me though  
Niggas blinded by the industry flow  
Categorize me soon as I enter the door  
It's all assumptions  
And assumptions is basically nothing cause if you think  
about it it's all in your head  
I been stressin a lot  
Rappin, tryin to send my message from God  
Got on my knees n this is all that I said man this is  
all that I said

[Hook]
