

# Hit Me When You Comin'

Dizzy Wright

[Verse 1]

What if I told you that the only way to get on the  
radio... was to rap about material shit?  
What if I told you that I went down to the radio  
station & told the owner to sit on a dick?  
I hate these industry muthafuckas who think they know  
it all  
Cuz they came & they saw... & they been around  
A lot changed here buddy & you ain't been in town  
Cuz now Dizzy Wright is the niqqa who got em spinning  
round  
Yeah... Now I don't make music for everybody  
Cuz not everybody's gonna understand the concept  
Uhh, Cuz when maturity... meets immaturity  
Shit, it just fucks with the mindset  
So I just say, "fuck a hater" if you hating  
I done made it out of Vegas  
You a fan, your mind just ain't elevated  
So when it does, I'll be right here making real music  
Something with a little feel to it  
Hit me when you comin... Yah

[Chorus]

Fuck the game, Imma do me  
Turn it up & keep it too G... Yah  
Fuck the game, Imma do me  
Turn it up & keep it too G  
Hit me when you comin  
(Let it ride niqqa, let it ride)  
Hit me when you comin  
(Let em know whats up niqqa)  
(You gotta let em know whats up niqqa)

[Verse 2]

What if I told you that these niqqas say I'm  
Hollywood... cuz I wanted to get paid for a show?  
Uhh, what if I told you that the only way that I was  
getting paid... is getting paid off a show?  
So umm... Hold up... Fuck you Mr. Promoter  
I worked my whole life to really get this shit poppin  
So I perform & you go home with some money  
& I'm leaving without a penny in my pocket?  
Niqqa please... Heh... I gotta eat, sad as can be  
If its my living, why would I just be talent for free?  
But I do, here's a clue, cuz its fucked  
& the only way to get noticed is being in the front  
So umm... I kinda figured out how Imma do this  
Do my crazy shit & still spit that real music  
Smooth movements, I do this, I foolish  
& I'm sick of all the bullshit music  
Hit me when you comin...

[Chorus]

[Verse 3]

Uhh, what if I told you that if Pac was here?  
I honestly believe that a lot of you rap niqqas would

not be here  
Cuz I done heard the worst mainstream shit  
That I swear, this has to be the worst that mainstream  
get, niqqa  
Hold up... Fuck that, let me get em  
Fuck the game & every fake muthafucka in it  
Don't take this as me dissin or tryna get your  
attention  
But I know, damn well, I have the right to have an  
opinion  
You rapping but nobody understands you  
How the fuck did you get held with a deal?  
& I know your niqqas ain't real, cuz if they was real?  
They woulda told you to develop your skills  
So Imma be the one to tell you  
I don't need your fucking fan base  
Just becuz they listen to you  
Uhh... & that just tell me where they mind at  
& anybody with that mindset is a fool  
Hit me when you comin... Yah
