Where we at. Who is they. Why we here.
Fuck the game it's my time of year.

I got the fans I could shake it off.
Wait-Wait all I need is my weed.
Everything else for my seed.

Not for me. So when we collab.
You can understand why it's snack for free.

Work the floor and don't talk about it.
Stay low key nigga that's why I've been a threat.
Ya'll perform at everything.
Only see me on the internet.

And I come around, when I come in town.
Payton homage you a dummy down.
I run the town with this music shit.
Underground to a hundred thou.

Blueprint my shoeprint all fail to be where the fuck
I'm at
Fuck your rap.
I put my city on the fucking map nigga fuck with that.

Young nigga with a old soul.
Made it out tryna make it on.
And I knew it wouldn't take me long.

My inspiration was Crazy Bone.
Slim Shady with the crazy tone.
Gurantee I'm the hardest out.
I started out tryna talk it out.
Lemme tell ya'll what that's all about (hold up)

Play hard, ayanars, reachin' out.

Sign on what you tweetin' bout.
I'm eatin' out.

9 niggas want my mil, in the front with the front-or-kill.
Record labels tryna sign me to a dumb ole' deal.
F V finna' run up hill. So I asked...

What can you do for me that we can't do for ourselves.
(Can't do for ourselves)
And if we look like a major then why we need the major help.
