Music Is My Language

DJ Aligator

What the world needs right now! And i mean right now more than ever! Is Salvation! The question remains to be answered Who can save humanity from itself I have one candidate in mind A candidate that?d challange all the one way communication im gonna let the music be my language! LISTEN! Toro mikham Toro mikham in dele man, kheyli naze to mikhat Gole man Toro mikham Toro mikham in dele man, kheyli naze to mikhat azizam ey dele maan, asheghe tam, kashke mishodi faghat maale man I live by the golden rules, and it should you want to worth this, as you would have to and to you! and you will soon see that love is all around To conquer all the manish day in strictly universal, coz music is my language Toro mikham Toro mikham in dele man, kheyli naze to mikhat Gole man Toro mikham Toro mikham in dele man, kheyli naze to mikhat azizam ey dele maan, asheghe tam, kashke mishodi faghat maale man No more culture clash, if yall get up and dance, like a wise man said it once! Give me some chance, do the right thing! And stop doing all the damage! If you listen when i speak! i guarantee we hit the peak, I Tell you WHY! Coz Music Is Language!! MUSIC IS MY LANGUAGE!! The question remains to be answered Who can save humanity from itself I have one candidate in mind A candidate that'd challange all the one way communication im gonna let the music be my language! LISTEN! I want you I want you My heart really wants your touch, my flower I want you I want you My heart really wants your touch, my flower Oh my heart, I'm in love with you, If only you were only mine I live by the golden rules, and it should you want to worth this, as you would have to and to you! and you will soon see that love is all around To conquer all the manish day in strictly universal, coz music is my language I want you I want you My heart really wants your touch, my flower I want you I want you My heart really wants your touch, my flower Oh my heart, I'm in love with you, If only you were only mine No more culture clash, if yall get up and dance, like a wise man said it once!
