It's a beautiful life, it's a sweet life

It's my life, it's your life

Tonight's the night that we gonna set it right

Live in the daylight and dance through the night

When sun is out and the moon is asleep

It don't matter who you are the world's at your feet

Have some fun and get loose with me

Let it in your heart and set yourself free

Fiesta forever

Forever fiesta

La notte has only begun
