

# I Just Can't Get Enough

DJ Antoine

Intoxicating  
Exhilarating

Intoxicating  
I just can't get enough  
Exhilarating  
It's the feelin' that I love

I've never felt  
Like this before  
I've never wanted  
Lovin' more  
I've waited all  
My life for this  
A simple sign  
Or a little kiss

I just want to say I need you  
And it feels good when I'm with you  
Can't you see I Just can't get enough  
It's the feeling that I love

Intoxicating  
I just can't get enough  
Exhilarating  
It's the feelin' that I love
