

One day, one Night

DJ Antoine

Hard to find
Is hard to find words, Yeah!
To describe the things I feel inside.
Let me tell you, sometimes we make mistakes. Yeah!
Here I am and I don't run away

One day, One night
We're ready to find
Ohh, one heart, one soul
We're ready to go.

One day, One night
We're ready to find
Ohh, one heart, one soul, we never give up.
One day, One night

Yeah, Yeah, Yeah...
One day, One night
One day, One night
Ohh! One day!

One day, One night
We're ready to find
Whoa, one heart, one soul
We're ready to go

One day, One night
We're ready to find
Ohh, one heart, one soul, we never give up
One day!
