

## Do You Believe

DJ Bobo

Do you believe in freedom  
Do you believe in peace around the world  
We all need a better place on earth  
Where it's really worth, to live our life  
Do you believe in freedom

It doesn't matter where you're born what kind of race  
As long as you believe in freedom there's a place  
It doesn't matter if your dream will come alive  
As long as there is human love you will survive  
We are praying for a world without pain and disease  
So tell me what you really believe

How can we learn, to return to good sense  
It doesn't help to sit on the fence  
Intense is the willing to fight  
Confusion goes on, what's wrong what's right  
It might be alright what we see on tv  
Are we blind, like in history  
Emergency, we're losing reality  
Weapons for freedom - how can we agree
