

Dreaming of You

DJ Bobo

I am dreaming of you day and night
Hold me in your arms
Hold me in your arms
From the bottom of my heart only you
Wishing you were here
Wishing you were here

I've been waiting for so long
All my feelings can't be wrong
You're the one I'm looking for
The one that I adore

There's no doubt, I'll be yours
There is no one else beside you
Never felt so in love
There is no one else to guide you
Like I do

I am dreaming of you day and night
Hold me in your arms
Hold me in your arms
From the bottom of my heart only you
Wishing you were here
Wishing you were here
Now I know you are the one for me
I need you endlessly
I am dreaming of you day and night
Hold me in your arms
Hold me in your arms

You're the one I'm dreaming of
You must be sent from heaven above
I close my eyes and see your smile
Your love is worth my while

Yes I'm dreaming
Well I am dreaming
I am dreaming
I'm wishing you were here
Hold me in your arms
'Cause I am dreaming about you babe
