

## For Now and Forever

DJ Bobo

For now and forever  
Open your heart  
I wanna be by your side  
I swear that I love you  
I swear it tonight

You make me feel alive, I need you by my side  
Every day and night  
Without a doubt  
A touch of you means more than a thousand words  
It never hurts

Can't help feeling this way  
Day by day  
You're magic to me

There's no need to deny  
I really know why  
You're mine endlessly

I know that no one else could ever take your place  
your smiling face  
Don't you feel  
For all my life you will be the only one for me  
Eternally

Tell me you will be mine  
It is more than a sign  
I wanna be by your side

Since our love has begun  
We are two hearts as one  
We have nothing to hide
