

Freedom

DJ Bobo

Freedom. Freedom.
Believe in freedom, in love and fortune
And all we need is a piece of heaven

Believe in freedom, in love and fortune
And all we need is a piece of heaven
We all need love.

Freedom. Come on everybody
We all need love. Freedom.
Let's live for freedom.
I don't know what you're believing in
Is it love or fortune or fight to win
I don't want you to say this is the thing

It is a piece of heaven
That makes its way
Freedom is the magic word

The only thing that would never hurt
Peace like in the movie scene
We try to get it and start a scream

Believe in freedom, in love and fortune
And all we need is a piece of heaven

Believe in freedom, in love and fortune
And all we need is a piece of heaven
We all need love.

Freedom. Come on everybody
We all need love. Freedom.
Let's live for freedom.
Yes I know you want some more
From what I said just right before

So clap your hands to the beat of the sound
Put your hands in the air and back to the ground

I never saw a jam like this before
Back to the front and door to door
If you want some more get on the floor
Love will come and that's for sure

Believe in freedom, in love and fortune
And all we need is a piece of heaven

Believe in freedom, in love and fortune
And all we need is a piece of heaven
We all need love.

Freedom. Come on everybody
We all need love. Freedom.
Let's live for freedom.
We all need love, Freedom
We all need love, Freedom

Screen the scream right out of your soul
Try asking, get out of control,
Get out of control and save your soul

Stop this violencing, No! No! No!
No more pain! No more lies!
No more panic in the children's eyes!

Freedom believe in end
Take a piece of heaven and you will win

Believe in freedom, in love and fortune
And all we need is a piece of heaven

Believe in freedom, in love and fortune
And all we need is a piece of heaven
We all need love.

Freedom. Come on everybody
We all need love. Freedom.
Let's live for freedom.
We all need love, Freedom.
