

Happy Birthday

DJ Bobo

We sing happy birthday to you
And may all your dreams come true
We sing happy birthday to you
And may all your dreams come true

Chorus: Oh ho ho ho ho
This is your birthday song
Oh ho ho ho ho
Celebration all night long
Oh ho ho ho ho
May all your dreams come true
We sing all together: happy birthday to you

Happy birthday we sing to you
May all your dreams come always true
Happy birthday we sing to you
Forever and ever

Happy birthday, celebration
Party night, come feel the vibration
Lights are bright, we're feeling alright
We're dancing til the morning light

Happy birthday, celebration
Everybody get the temptation
One again, this is your night
And everyone feels right

It's a perfect motivation
Feel the vibe, enjoy the fascination
All your friends are here tonight
Happy anniversary, we hold you tight

It's a perfect situation
Hale and hearty what a combination
Once again, this is your night
And everyone feels right
