

# I Want You Back

DJ Bobo

I want you back (I want you)  
I want you to stay  
Open your mind  
And quit the games you play  
I want you back (I want you)  
I want you tonight  
Calling your name  
And let me hold you tight

Ohohuhohoh, I want you back again  
Ohohuhohoh, cause I'm your man  
Ohohuhohoh, I want you back again  
Can't live without you and I wanna be your man

I'm crazy about the things you do  
I have fallen for you, as you wanted me to  
I don't want your money, I want your time  
I give you everything inside my heart could find  
I'll be your soulmate, your man heaven sent  
till the end, I hold your hand like nobody else I understand  
Now end, the colour of my heart is black  
Quit the games you play because I want you back

All that I possess I'll sacrifice  
Take my heart and I will name the price  
I searched the whole world just for a girl like you  
Why did you hurt me, I don't believe it's true

Take two, and I would do anything to hold you tonight  
And forever for the rest of time in this life  
I thought you gonna be my wife, without you close to me  
You know I can't survive  
Now you got the best of me, come on and take the rest of me  
Please stop the game, and call my name, no shame,  
I feel pain, the colour of my heart is black  
Quit the games you play because I want you back

I would move a mountain just for you  
I would pull the sun out of the blue  
I'll give you one more chance to make it right  
Can't live without you, I want you by my side
