

# I want your body

DJ Bobo

I want your body, can you feel it  
I want your body, uh my baby

Now get on up and do this dance  
Move your body feel the trance  
Feel the bass and start clappin' snappin'  
Take a race with me, hear me rappin'  
I wanna take ya, I wanna make ya  
I wanna get this beat to shake ya  
Burn the house down make some noise  
Feel the rhythm you've got no choice

It's show time, get up, get crazy  
Let the dancefloor don't be lazy  
The beat is pumpin', the crowd is jumpin'  
They all are humpin' so what you're grumpin'  
You know that the best things in life are free  
But If you don't make sure that you get a receive  
Like one, two lets get on the move  
Back on a track I'm with the groove
