

# Let Me Be the One

DJ Bobo

Let me be the one,  
Let me be the one, who guides you in your life  
Forever and ever  
You're the one,  
The one I really want, you took my heart  
Since we are together

I miss you like crazy  
When you're not there  
Magic vibrations are still in the air  
I'm thinking about you  
Wherever I am  
This is how I'm feeling

Our love will last forever  
Through the darkness of the night  
You give me strength, you give me love  
With you the sun is shining bright

Wherever you are  
There is my home  
When you're not around I'm feeling alone  
I wish you were here  
Right by my side  
I am waiting for you

When you hold me tight  
You take my breath away  
Whenever we're together  
I never felt this before  
In my life

Girl, let me be the one  
To guide you through the night  
Girl, let me be the one  
This is how I feel
